Presto arrives for Foxtel Platinum subscribers

Broadens Presto's availability and brings premium SVOD programming to Foxtel's Platinum customers

Presto today confirmed that it is now available to Foxtel Platinum customers at no additional charge*. The news follows yesterday's announcement by Foxtel that the Presto Entertainment bundle, featuring 1000s of hours of ad-free movies and TV shows, would be offered as part of a Foxtel Platinum subscription.

Presto for Foxtel Platinum customers widens Presto's availability even further as it continues its march across platforms and comes on the heels of last month's arrival of Presto on the newly launched Telstra TV. Presto offers Foxtel Platinum customers the ability to access the premium SVOD service across numerous devices and lets them take their entertainment with them on the go on smartphones and tablets, or on the big screen via Telstra TV, select Samsung Smart TVs, Google Chromecast, or using AirPlay on Apple TV.

Shaun James, Presto TV CEO, said, "We welcome the addition of Presto for Foxtel Platinum customers as a great way to bolster their Foxtel subscription and make an already great entertainment experience even greater. Access to Presto has been a key priority for us and today's announcement opens us up to an enormous fan-base who already knows the value of subscription entertainment. We look forward to broadening our availability even further in the coming months."

Hit programming available on Presto include full seasons of critically acclaimed dramas **The Walking Dead** (seasons 1-5), **Mr. Robot** (season 1) and **Aquarius** (season 1), plus the most recently available SVOD seasons of **Ray Donovan** (season 1-2), popular comedy programming including **Modern Family** (seasons 1-5), **Entourage** (seasons 1-8) and **VEEP** (seasons 1-2).
