## Presto in September

Presto today announced key programming streaming in September, starting with the finale of **MR. ROBOT** season one which will be added this week (September 4). Described as “*The Social Network* meets ‘Occupy Wall Street’”, **MR. ROBOT** follows Elliot (Rami Malek, *The Pacific*), a young computer programmer who works as a cyber-security engineer by day and as a vigilante hacker by night.

Also coming in Presto is a collection of the best programming from NBCUniversal, including:

- **Mrs. Brown's Boys** (seasons 1-3) – a comedy series telling the story of an Irish matriarch, whose favourite pastime is meddling in the lives of her children;
- **30 Rock** (seasons 1-7) – an American comedy that follows Liz Lemon (Tina Fey) as the head writer for a live comedy show in New York as she juggles the egos of an increasingly erratic cast;
- **Heroes** (seasons 1-4) – explores the lives of ordinary people who discover superhuman abilities, and how these abilities take effect in the characters' lives against a backdrop of good vs. evil;
- **Grimm** (seasons 1-2) – introduces homicide detective Nick Burkhardt, a descendent from a long ancestry of ‘Grimms’, not just fairy tale story tellers, but hunters charged with protecting humanity from supernatural creatures;
- **Parks and Recreation** (seasons 1-5) – an American sit-com filmed in the same pseudo-documentary style of ‘*The Office*’ and set in the dysfunctional parks department of a fictitious American town.
